

MEDICATION

Instead of asking for your child's medications on the registration form, we've found it timelier to have the most current information on the day of departure. Please complete the Medication form below and give the form and medication (s) to your child's head counselor on the day of departure. The medication bottle must be labeled with your child's name, the name of the medication, the dosage and frequency. The physician's name must also be present on prescription medications.

Unless there are unusual circumstances, the head counselor will be responsible for dispensing prescription medication.

Realizing that some children may be reluctant to share the fact that they take medicine, please understand that our staff will exercise the utmost discretion in handling such privileged information.

Many parents elect to decrease or omit their children's prescription medications for the summer months. Before considering a dosage change for camp, I would like to remind parents that our schedule, while fun, is fairly regimented from dawn until dusk. Please feel free to discuss medication issues with one of our medical staff on departure day, or with me prior to camp.

MEDICATIONS

THIS FORM IS TO BE TURNED IN TO YOUR CHILD'S HEAD COUNSELOR

ON DEPARTURE DAY.

PLEASE INCLUDE PRESCRIPTION AND OVER- THE-COUNTER MEDS

CAMPER NAME: _____

Name of Medication	Dosage	Frequency
