

Special Needs Process

We encourage you to begin the process **at least one year in advance** of the time you would like your child to attend camp.

We strongly encourage all campers with special needs to attend **Family Camp in October** (before their first year of camp) for the Special Needs Committee to assess their level of independence and need in the real-time camp environment.

1. Contact Georgi Speliopoulos (612-483-9292) to begin the Special Needs Process.
2. Bring your child to Family Camp at least a year in advance of the time they will attend Summer Camp.
